

St Giles the Abbot, Farnborough

COVIDsafe bookings for Holy Communion Services

A booking system has been set-up to safely manage attendance at each service, as well as meet the Government's track & trace requirements.

Please click on this link <https://stgilesfarnborough.setmore.com/> and select the service you wish to attend.

- The screen shots below show how to use the booking system and it takes approx. 2mins to complete a booking

Please be mindful that with limited numbers able to attend each service this will be done on a 'first come, first served basis'.

Please only contact the Parish Office as a last resort if you do not have internet access and, therefore, cannot use the on-line booking system.
