

Date	St Giles Sunday School - Summer Term 2026	
<b>05.04.26</b>	<b>All Age Worship for Easter - 10am in church</b>	
12.04.26	<p><b>New Life. What does 'new life' mean?</b>            We talk about signs of spring, all those things that looked dead but have now reawakened.  <u>Prayer</u>            God in heaven            Thank you for Jesus, who brings us new life.            Just as the trees blossom and the flowers grow            Help us to blossom and grow in kindness, faith and love.            Amen</p>	
19.0.26	<p><b>New Life. How can we nurture new life? The seeds of faith.</b>            All new life needs caring for. We talk about how a new baby needs looking after; a young animal; seeds, a cutting or bulb. They all require the right conditions in order to grow strong and healthy. How do we grow strong in faith?  <u>Prayer</u>            Heavenly Father,            Help me to grow, not in inches or centimetres,            Not taller or more stout.            But in knowing that you love me.            Help those who care for me, nurture my faith, so that I grow big and strong like the tallest tree.            Amen</p>	
26.04.26 <b>Return 10.45</b>	<p><b>New Life. Nurturing our community.</b>            We grow stronger when we are together, including the people of our church. Our centre is having a 'make over' so Sunday school will be closed for a while, BUT we still want the children to come to church though.  <u>Prayer</u>            Heavenly Father,            Thank you for our church community, our friends and leaders who support and guide us.            As we close for the rebuilding of our Sunday school,            Keep us strong in faith,            Alive in our worship            And true to you.            Be we quiet or be we noisy, we know that we are welcome in this house of God            For St Giles is a place for all your people, young and old.            Amen</p>	
<b>03.05.26</b>	<b>All Age Worship</b>	<b>10am in church</b>

***Please note, Sunday school will be closed during the period of refurbishment of the St Giles Centre.***
